

EXIT-INTERVIEW

this interview was conducted by Brian and Dee K. sorry about the way it turned out the tape was fucked up so I had to do a lot of editing and guesswork, an awful of the tape was unclear present were Scruff-vocals, Lev-drummer and Chuck the bassist Nick Awesome who plays guitar was absent

Scruff-okay whats the first question here?
Brian-okay why is whatsname leaving the band?
Scruff-cause he's a fucking weiner and I hate his guts
Chuck-he doesn't like the band anymore
Lev-yeah and I don't like having to do all the work which he doesn't
Scruff-let's put it this way he's a weiner
Lev- he's my brother and I love him
Scruff-let's do the next question
Brian-okay you guys have got a record coming out pretty soon, right?

CHUCK- one person runs the airport one person runs the general store everybody puts down Cranbreek a bit an innocent bystander-where is Cranbreek?
DEE K.- it's in B.C.
LEV- that way
SCRUFF- I think it's about 70 miles east of Creston
Dee K. tries to explain where Cranbreek is
SCRUFF-it's not too far from the Alberta border
big argument about the distance between Cranbreek and the ALBERTA border
LEV- I'm sure all your avid readers want to hear all about Cranbreek
CHUCK- yeah no more Cranbreek guys
BRIAN-if you guys ever do tour where do you want to go
SCRUFF-I wouldn't mind playing down in San Fran I'm a bit devious about L.A. I suppose we'd play L.A.
different people suggest places such as Norway, Portugal, Poland, Zimbabwe, Australia and Calgary the tape now becomes unusable for a long time

SCRUFF-well prettysoon we got the recording finished now, we're just awaiting financial support from someone
DEE K.-is C.B.S. recording it?
SCRUFF-yeah right, I could really see that it's probably gonna be totally independant like our last one was somebody asks what the songs are
SCRUFF- I really shouldn't tell you that's a trade secret. okay there's Who's War, Tommy The Hero(?), Survive Nothing New and That's Not Fair 5 reekin' greovy songs
BRIAN- is that the disco extended version of Nothing New?
LEV-no it's thepunk rock extended version like we step in the middle and say hey fuck you man gimme a beer and
SCRUFF- yeah punk rock!punk rock! nothing new gimme a smoke and all that
CHUCK- gimme a hit of rush
SCRUFF- can I sleep on your floor that kind of a deal you know
BRIAN-why do you guys not do any tours?
SCRUFF- I guess we're too lazy,also we're not really very well known besides it takes a lot of money to take a band on the road.to tell you the truth I'm really scared too.I'm scared to play in L.A.
SOMEONE-thats really pathetic
SCRUFF- they do not understand English people in L.A.
CHUCK- you never knew till you've been there Scruff
Scruff mutters out something unclear and then says " we don't wanna play in your shitty town anyway.
DEE K- what town?
LEV- Cranbreek, there's like 4 people there

BRIAN-why don't you guys get on some of the cassettes that are going around
CHUCK- someguys in Indianapolis want to put us on a compilation album
BRIAN- ~~that's~~ that right? gift it
DEE K.- do you guys have any idea who you'll get for a guitarist
SCRUFF-haven't get a fucking clue any one who wants to join pretty well
BRIAN- whatever happened to your first guitarist?
LEV-he was executed for weirdness
SCRUFF-basically he's hiding in North Vancouver
DEE K.- you have any title for your next e.p.
SCRUFF- I suppose maybe the title track but I don't want to start getting into political slogans like thats garbage
LEV-but the little girls understand
SCRUFF-I think that would be a really neat title
BRIAN-you guys seem to be really really political but you don't
SCRUFF- we seem really political but I'm getting really bored of talking about politics you know the way I see it is you've got your own set of ideas and that's where it's at
what's the point in talking about it like politics is such a variable subject

I think---

NO EXIT INTERVIEW

continued

LEV-that's why he only listens to Deep Purple and Black Sabbath

BRIAN-there's nothing wrong with letting people know, I just think you should have a little more fun
SCUFF-yeah, you get your bands like Crass, they say good things but they're totally sloganeering, it's boring, they're non musicians

LEV-and what's being in a band gonna do to change anything, they're not gonna do anything, they might change a few peoples attitudes but it's not gonna fucking make any difference why bother if you wanna change something go make speeches or blow things up

BRIAN-but any change is progress really

SCUFF-I just think making intelligent music is one thing but pounding people with your message is another, you've gotta have a happy meeting between the two

LEV-I'm sorta interested in getting more humor into the band actually

BRIAN-what bands do you like right now? A.C. D.C. Black Sabbath, Iron Maiden, Van Halen????

SCUFF-anyway next question cause it looks like the moneys being layed out here and not one of those stupid ethnical ones either

LEV-are you guys homos? like L.A. kinda questions

BRIAN-in 20 words or less sum up the Vancouver scene

SCUFF-20 words or less? it's cool and it's not cool, there's a few bands going around there's a lot of stupid bands going around it's really hard to figure out the Vancouver scene, like we're going for a general wave of apathy right now

LEV-bullshit the general wave of apathy was months ago, now it's fun

SCUFF-even so there's a general wave of stupidity that's for sure like you get these stupid skinheads who think they're really groovy

LEV-with the initials M.D. hockey player from south Delta this is where No Exit get paid they bitch a while about the size of the check

END OF INTERVIEW.....
